## Advertise With Us!

*The Germantown Symphony Orchestra celebrates its 47th anniversary with a return to a full season of performances!* You will not want to miss participating in one of the best community orchestras performing in the U.S.! Concerts include our annual Young Artists Concert (featuring two incredibly talented GSO Concerto Competition scholarship winners), the annual sell-out holiday concert, two exciting concerts in the planning stages for spring 2023, as well as others in surrounding areas such as Collierville, Ripley, and Savannah.

Because our symphony members are volunteers, it is necessary to seek funding to pay for operational expenses, such as facility rental fees at GPAC and musical score rentals. Much of our funding comes from concert ticket sales and donations. Advertising in the GSO concert programs, however, not only helps us provide funding for our annual budget, but it helps you garner the attention and patronage of potential clients and customers.

We hope that you will consider supporting the GSO this season through your advertising. Like years past, we are offering the flexibility of purchasing ads by the season or concert. Season ad purchases offer the best savings! Our 5.5" x 8.5" high-gloss concert programs are designed specifically for each concert, offering you versatility in your advertising and budgeting needs. A copy of this year's contract is attached. The program ads have a white border, though outside back cover advertisers will have the option of printing to the very edge of the paper. We also have a designer on hand who will design an ad to your specifications for a flat fee of \$100. In this case, you would simply provide your artwork in digital format along with the information you want included in the ad.

We ask that you please return the attached contract, payment and ad (or ad request) by the due date indicated on the adjoining flyer. Feel free to send an email to [gsopresident@germantownsymphony.org](mailto:gsopresident@germantownsymphony.org) if you have any questions about advertising or to [amycookdesign@mac.com](mailto:amycookdesign@mac.com) for ad questions/submissions. Thank you for your consideration, and we look forward to working together in this upcoming season. Your support is important and truly makes a difference to the GSO and what it can accomplish to enrich our community.

The Germantown Symphony is the Resident Community Orchestra of GPAC.
